AMS Group complete the Hampton By Hilton Hotel, Newport

‘This project was a pleasure to undertake and complete’ says Shelley Wilcock-Sales Director Hotel & Leisure at AMS Group. ‘Working closely with our client, Henry Best from Charnwood Group and also James Mycroft at Hilton Hotels and Edward Davies Construction, ensured this project ran smoothly from start to finish. The 127 bedrooms showcase the latest design developments by Hilton and offer a high end four star feel to a two/three star brand’. The bedroom fit out was completed over a five week period, in time for the September 2010 Ryder Cup, where the hotel was full.

The furniture manufactured from the Redditch based factory, made in a combination of walnut veneers, laminates and Corian, with lime green and Rasberry headboard upholstery, adding a splash of colour, which is also picked up in the artwork, offers a fresh and vibrant feel to the room. Large state of the art TV’s, WiFi, timber laptop trays, large comfortable sofas and luxurious soft furnishings makes for a welcoming homely stay.

The hotel continues to prosper and we wish them team every success.
